VOLUME THIRTEEN, NUMBER 180 MONESSEN, PA., TUESDAY, JANUARY 12, 1915 DELIVERED FOR SIX CENTS THE WEEK

BOARD O'TRADE LAYING PLANS FOR NEW YEAR

Alfred Tanzer, the new president of the Board of Trade, met informally Friday afternoon with a number of the active workers and prospective chairmen of the standing committees for the year 1915 to discuss policies and to outline a tentative program for promotion during the year.

After some time, at least seven fully developed ideas of the town's greatest needs were talked of in the following order:

Hill Top Trolley Line.
Township road around town.
Improved road to Greensburg.
Boy Scout movement.
Vacant lot garden development.
Back yard and alley improvement.
Western Maryland train service.

Under the head of roads, the promotion of completing this year the state-aid road between Belle Vernon and Webster, was deferred on the Monessen-Belle Vernon end until 1916, for several reasons. First, in order to complete the three local road projects now under way; second to allow the Civic League of Belle Vernon a year to meet conditions and secure releases; and third, to permit the local trolley company to complete extensions and other improvements before being burdened with the expense incident to changes in the line to Belle Vernon that will be necessary.

While many other matters of importance are expected to arise during the course of the year, the above are outlined for special work of the various committees with a determined view of accomplishment.

It is expected to hold the regular January meeting of the Board of Trade the fourth Friday night of this month, the 22nd, on account of the fifth annual banquet being held on Thursday night of this week. At that time it is likely all committees will be named. Members are requested to hand in their preference for committee work to the president, secretary or chairmen of committees in order that none of the able and willing ones will be overlooked.

Many at Meetings

The services at the Baptist church were well attended despite the inclement weather. Rev. Bungard delivered an exceptionally helpful lecture on the subject of conversion. The evangelistic note was sounded very distinctly last evening and is the key to all the services this week. The after meeting was filled with intensity and the response was good.

Dr. Keller will deliver the sermon tonight at the Christian church on the subject of "Prayer." Those who have heard Dr. Keller need not be told that the sermon will be a master piece on the subject of prayer. But those who have never had the privilege of listening to the doctor, should avail themselves of this privilege, when he speaks upon a great subject.

The meetings again call attention to an exceptional privilege granted the people of Monessen, who would assist in that enterprise which alone makes Monessen life valuable. Remove morality and righteousness and the community would not be a fit place to live in. By your presence help encourage a better Monessen.

PROMINENT SPEAKERS FOR BOARD OF TRADE BANQUET

COL. H. P. BOPE,
One of the Speakers at Monessen's Board of Trade Banquet.

While a sumptuous menu has been prepared by the Isabelle Thoburn class of the Methodist church for the fifth annual banquet of the Board of Trade of Monessen in the Ruthenian hall, Thursday evening, the speaking program or toast list has not been neglected in any respect by the committee. Perhaps no more attractive trio of public speakers with such a wide range of local interest has ever been secured by the town.

First will come the Hon. Curtis H. Gregg, formerly congressman from this district, whose subject will be "American Citizenship." Mr. Gregg is especially versatile and fluent upon this subject, having given it much study from the view point of the alien.

J. B. Yohe, general manager of the P. & L. E. railroad, will address the banquetters next, having as his subject "Reminiscenses of the Rail" with particular reference to Monessen and what it means to the P. & L. E. rail-

Fine Chickens Stolen

The hen coop of Meyer Meyers on Donner avenue was raided last night by chicken thieves and five of the niest whitest laying pullets were confiscated. The lock on the coop was smashed and the thieves entered and carried away the valuable property. Mr. Meyers heard some noise and dressed and went down stairs, but discovered no one about the place and he went back to bed again. This morning when going out to feed his fowls, Mr. Meyers was shocked to find all his valuable pullets gone. They were valuable not alone because they produced nice fresh eggs every day, but because they were a select breed imported from Point Marion up the Monongahela river.

Mr. Meyers at once reported the theft at the police station and Officer Len Carlson hit the trail and made a search over the hills looking into various coops wherever a white feather could be found, but the five dainty pullets could not be located. The matter was reported to Chief Wheatley at an early hour this morning and the chief detailed two officers to look for a clue and in the meantime Mr. Meyers is assisting the police in every way possible.

TWO MEN FALL OFF SCAFFOLD, ARE BADLY HURT

Yesterday afternoon while assisting in the construction of a water tank for the Tri Cities Water Co., on their property on the hill back of Monessen, William McKinley of 10 Graham avenue Monessen, and Thos. Wakefield of 104 Lincoln avenue, Charleroi, fell from a scaffold about fourteen feet to the ground and both sustained injuries of a very painful nature.

The work was being done by the Charleroi Iron Works for which firm both men were working. When the scaffold gave way, the men were precipitated to the ground. Mr. Wakefield sustained a fracture of the left wrist and shoulder and had his left ear almost torn off. Mr. McKinley suffered a dislocation of the ankle. Both were dispatched to the private hospital of Dr. M. J. Cramer where their injuries were dressed. They were then removed to their homes where they are getting along nicely.

Man's Dead Body Found

The dead body of Andrae Nenic was found at an early hour this morning in a ditch just above Monongahela. The body was discovered by a man on his way to work. It was removed to the Rabe undertaking rooms and arrangements made for an inquest.

An ever increasing prescription business testifies to the popularity and confidence that Kirk's drug store enjoys, both from the people and physicians.

FEEL YOUNG!

It's Dr. Edwards' Olive Tablets For You!

Beware of the habit of constipation. It develops from just a few constipated days, unless you take yourself in hand. Coax the jaded bowel muscles back to normal action with Dr. Edwards' Olive Tablets, the substitute for calomel. Don't force them to unnatural action with severe medicines or by merely flushing out the intestines with nasty, sickening cathartics.

Dr. Edwards believes in gentleness, persistency and Nature's assistance. Dr. Edwards' Olive Tablets open the bowels: their action is gentle, yet positive. There is never any pain or griping when Dr. Edwards' Olive Tablets are used. Just the kind of treatment old persons should have.

Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil, you will know them by their olive color. Take one or two occasionally and have no trouble with your liver, bowels or stomach. 10c and 25c per box. All druggists.

IF YOUR BACK ACHES AND JOINTS HURT

Eat Less Meat and More Vegetables AND DRINK EVAPORATED MINERAL WATER

Meats form Uric Acid in your system and clog the kidneys and liver, causing Rheumatism, Backache, Lumbago, Constipation, Sick Headache, Urinary Trouble, Bad Complexion, Foul Breath and other ills.

Lax Uric drives out this poisonous uric acid, flushes the kidneys and stimulates the liver. Get about three ounces of evaporated mineral water in powder form at Craig's drug store and take two teaspoonsful of this powder in a glass of water before breakfast two or three times a week and your kidneys will then act promptly.

If you ask for Lax Uric, he will know what you want as this is the medicinal name. It makes a pleasant sparkling drink when the powder is added to water and acts easily without pain or griping. Why not be well and happy?

NOT AN ISOLATED CASE

Many Similar Cases in Monessen and Vicinity

This Monessen man's story given here is not an isolated case by any means; week after week, year after year, our neighbors are telling similar good news.

Mrs. A. W. Jenkins, 25 McKee avenue, Monessen, Pa. says: "For the past three months I suffered from attacks of kidney trouble. I first noticed a severe pain in my back and thought it was lumbago. I frequently had dizzy spells. My kidneys didn't act properly and the kidney secretions were unnatural. I heard so much about Doan's Kidney Pills that I got a box at Litzinger's drug store now the Hirsch Drug Co.) and used them. Before I had taken one box I was greatly benefitted."

STILL PRAISES DOAN'S

On January 26, 1914, Mr. Jenkins said: "I have the same faith in Doan's Kidney Pills now as when I gave my former statement some years ago. I still take them whenever occasion demands and they always give me relief."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Jenkins had. Foster Milburn Co., Props., Buffalo, N. Y.

LEVENDORF --LINCOFF NUPTIALS

The marriage of Miss Rose Levendorf, daughter of Rev. and Mrs. H. Levendorf of Monessen and Mr. Frank Lincoff, son of Mr. and Mrs. Moris Lincoff of Braddock, was very prettily solemnized Sunday afternoon at 4 o'clock. the ceremony being performed at the home of the bride's parents, 441 Park Way, the Rev. H. Levendorf, father of the bride officiating, he being assisted by the Revs. Bazell of Braddock and Latrobe.

Th parlors and dining room of the Levendorf home were beautifully and appropriately decorated with palms and flowers and presented surroundings befitting the occasion.

The bride was attended by Miss Esther Levendorf, a sister, and Miss Fanny Lincoff, a sister of the groom, while the groom's attendants were his brother David Lincoff of Braddock and Dr. Israel Levendorf, a brother of the bride.

The bride wore a white messaline dress, a white veil and wreath of lillies of the valley and carried a bouquet of tea roses with ribbon streamers.

The bride's attendants were both prettily gowned in pink. The groom and his attendants wore the conventional black, and the wedding party made happy and light hearted the Levendorf home.

The guest list numbered 200 and after the ceremony a sumptuous wedding dinner was served at which all made appropriate addresses and extended all manner of good wishes for the bride and groom.

Among the out of town guests were Mr. and Mrs. J. Levendorf of Boston, Mass..Mr. and Mrs. M. Levendorf of New York City and Mrs. S. Ginsberg of Rutherford, N. J.

Mr. and Mrs. Lincoff left on the 8 o'clock train Sunday evening for a two weeks honeymoon trip East, after which they will be at home to friends in Braddock, where the groom is engaged in the jewelry business.

DOINGS IN LOCAL COURT

Before Burgess Dunlap this morning was heard the case of Paul Pasenta of Graham avenue, at whose home a christening was held yesterday. It appears that the Pasentas had several guests among whom were John Slashovasky, Pete Kavolsky and John Egnotsky.

All were arrested and the evidence was taken this morning The evidence was that quite a lively seance was enacted up stairs, where the family lived.

George Fyak who lives on the lower floor along with his family, became annoyed and went up stairs to learn the cause of the noise. When he got up stairs the entire bunch, he says, jumped onto him, and he was badly beaten up. He was discharged by the burgess.

Pasenta was sentenced $5.00 and costs or three days. He will serve his time.

John Slashovasky, one of the main disturbers, was fined $10.00 and costs which he paid, $12.50 in all.

Pete Kovalsky, being found innocent, was discharged.

John Egnotsky paid a fine of $5.00 and costs This man after getting out of the house crawled into a sewer to evade the officers but was captured.

Mike Gladisch and Pete Holtz of Third treet, were up before the burgess this morning, both being charged with being drunk and disorderly. Pete was kicked out of a bar room of a local hotel by one of the bartenders on account of trying to start trouble. Mike came along the way just then and went into the bar to see why his friend Pete was treated so roughly, and he was also ejected from the bar room. They were fined $1.00 and costs or two days to the lockup. Both paid their fines imposed and departed. Both these men are well known in police circles as they have often been up before.

James Sanick of Lincoln Place came to town on Saturday on hearing that some of the local coal mines were going to start up, but on his arrival he was met by some sympathetic friends who told him that the story was false and invited Jim to have some drinks. He complied with the request and landed in the cooler. This morning the burgess discharged him and told him to get out of town.

GOOD PRINTING IS ESSENTIAL TO SUCCESS

That's our specialty—Good Printing that is exactly suited to the purpose for which it is intended. The essential element to be determined is the precise character of work that is suited to the proposition. Our wide experience qualifies us to give expert assistance and advise on this point—to be of real service to you in the preparation of your folders, booklets, catalogs, price lists, etc.—lending to each of those characteristics best fitted to impress the recipient with the points which you seek to make prominent.

We mention this feature of our equipment for handling your business effectively, as an illustration of the many ways in which we are prepared results at the lowest cost for a given quality and quantity.

It is not merely the volume of noise, but the blending sound that creates harmony. A flashy style in printing is suited to certain lines, but there must be "harmony of contrast" or the result will prove a disappointment. Quiet effects are best in the majority of instances. Good taste is always essential.

How can you consistently talk quality in your product without quality in the medium which carries your message?

This requirement extends to every printed thing you use in your business—cards, letter heads, bill heads, etc. Everything a possible customer sees in creating an impression by the way of looks as well as what it says.

"First impressions are lasting"—make them count for you—by having your printing done right.

WELL KNOWN MAN KILLED

Joseph Kant, aged 39, of Jenny Lind street, McKeesport, was almost instantly killed shortly after 4 o'clock yesterday afternoon when his automobile skidded in South Duquesne avenue Duquesne, crashed into an iron fence on a retaining wall and then plunged down 16 feet onto the Pennsylvania railroad tracks, pinning Kant beneath the wreckage. He was extricated from the debris and rushed to the emergency hospital of the Duquesne Steel company, where he died a few minutes later.

Samuel Marcosky, of Linden avenue, Duquesne, who had contemplated buying Kant's machine and had the latter demonstrate it to him, was in the car only a few minutes before the accident occurred. Marcosky said he got out of the machine when at the top of South Duquesne avenue, they discovered a shortage of gasoline. He said Kant started the machine down the hill intending to get a supply of gasoline at a nearby garage. The car skidded, Marcosky said, and ploughed through the iron fence, alighting on the railroad tracks.

A pathetic feature of the accident was brought to light when a messenger told Mrs. Kant of her husband's death. It was said by relatives that Kant had arranged to take his wife who has been ill, to a hospital yesterday. Mrs. Kant was expecting her husband home when news of his death reached her. She is in a critical condition.

Kant was a member of the fifm of Kant Bros., who conduct a large grocery store at Ninth and Walnut streets, McKeesport. He leaves his widow and one child.

Deceased was a cousin of Hirsch Brothers of the Hirsch Drug Co. and had frequently visited in Monessen and was known by quite a number of people here.

Police Court

Bert Mack was up in police court this morning charged with drunkenness. He was fined $3.00 and costs or three days to jail. He was unable to pay and was recommitted.

Charles McCowan who claimed to hail from Dickerson Run, stopped off at the police station last evening on his way to Lock 4 to get a job. He had stopped in a bar room first and had taken two or three drinks and when he arrived at the police station he was sick. The burgess discharged him without a fine.

LECTURE WILL BE GOOD ONE

The lecture announced in yesterday's Independent will be free to everybody. An offering will be lifted at the close of the services. Some years past Senator Cannon lectured here at Monessen and was highly appreciated. He was then on the lecture bureau and we had to pay the price. This time he is coming under the auspices of the National Reform Bureau and the doors are open to all.

His subject will be "The Great Mormon Menace" and none are more able to discuss this problem with more intelligence than Senator Cannon. On Wednesday evening in the Baptist church, the lecture will begin promptly at 7:30. This early hour is set because it is believed that the numbers wishing to hear Cannon will not be accommodated by the church building. Hence, an overflow meeting will be accommodated in the Christian church, where Dr. Martin will lecture and then return to the Baptist church and Frank J. Cannon go to the Christian church and repeat his lecture. Everyone should avail themselves of this opportunity of hearing one of America's greatest lecturers on one of our greatest problems.

HAVE TAKEN AN APPEAL

An appeal has been taken to the Supreme court in the case of Harry E. Filler, convicted of the murder of Jacob K. Blank and sentenced by Judge A D. McConnell at Greensburg to suffer death by electrocution. Attorney Ralph D. Hurst, counsel for the convicted man, has been joined in the appeal by Attorney Thomas Grevy, of Altoona. As cases of persons convicted of murder are given precedence over ordinary cases in the higher court, the date of the hearing of the case has been fixed for the first Monday of February.

AN UNJUST CHARGE

A southern Daniel, Judge Carter of Asheville, comes to judgment with a smashing swat at the telephone.

He charges it with breaking down morality by making it easy for folks to say things to each other over the wire that they would be ashamed to say face to face.

He also accuses it of fostering domestic extravagance, by enticing wives to order more articles from mershants than they can afford or than they would think of ordering if the phone weren't so handy.

Vain censure and misplaced. For if there is fault it is with persons, not with phones. The sinful heart of man not the fine fruit of his inventive mind, should receive the scourging.

Were we devising a kick on account of the telephone it would be that this serviceable convenience has not yet been placed within the reach of the masses of the people.

Nearly everywhere the giant private monopolies into whose control the telephone has fallen, are seeking, not to cheapen but to raise the cost of its service.

If telephones were owned and operated by the people for service and not for the enrichment of a few, such a useful device as the automatic switchboard would be used, not sidetracked; and its use would bring the telephone within the means of well nigh every home.

We would not do without railroads because criminals travel. We would not forego electric lights because they light the unjust as well as the just. Rather our aim is to bring the conveniences and comforts of life within reach of the greatest possible number of people.

That cannot be done if private greed shall forever be permitted to block the way.

A FALLACY

Worse than war is the extreme hatred of one people for another, says the Boston Congregationalist.

Oh pshaw, that hatred thing is the soul of war and always has been. The hatred just now cropping out shows once more what mutts we allow a few leading men to make of us common folks. It's the business of the German emperor's gang to make the Germans hate the English. It has been the business of English aristocrats for years to make the English hate the Germans and forget their own awakening democracy.

When it's all over, there'll be just as many aristocrats on both sides, toasting each other, going yachting and hunting and gambling together, while the supply of common folk will be some millions less. And those that are left of us will be slaving our finger ends off to pay the war prices and keep the same old gang in wine, gold lace and easy money. But strange, to say, we German plain folks won't hate the English as hard as we thought we did, and the malignant animosity we English common people hold towards the Germans now will take on a much milder flavor.

"What fools we mortals be" is an old, old gag, neighbor, but it's one roaring big truth.

THINK THIS OVER

When a newspaper gives you a lot of free advertising in order to boom some concert or entertainment in which you are interested, keep track of the lines that are printed week by week and multiply that number by the regular advertising rates of the paper. Compare the results with the actual money value of any favor that you get from any other business concern. Then take into consideration the fact that advertising and circulation are the only two things that a newspaper has to sell. Now, in these days of higher prices, how much do you think it ought to give away?

Another Murder Suspect Was Arrested

The funeral of Charles Moffatt, murdered at West Brownsville, Friday night or Saturday morning, was held yesterday afternoon from the late home.

Sergt. McLaughlin of the Monessen state police, was out on the case until noon today, supposedly at Brownsville, working along with other officers in an attempt to apprehend the other two men suspected of having been mixed up in the drinking bout which apparently brought about murder.

At 10 o'clock today it was stated that Sergt McLaughlin had arrested a second man on suspicion of being one of Moffatt's murderers, but a phone call to state police headquarters failed to verify this, and nothing definite could be learned either at Monongahela where the arrest was supposed to have been made.

Samuel Roberts, the first suspect arrested. is being held pending further developments in the case.

Moffitt's wife died some years ago and since then he has lived in one room adjoining his blacksmith shop, and under the same roof. He was a brother of conductor Bert Moffit of the P. V. & C.

An examination of the premises showed that the murderer and his victim had fought all over Moffit's sleeping apartment, blood being spattered over walls, floor and furniture in all parts of the room.

Most of the dead man's clothing indicated that he had been killed before retiring to bed. Everything pointed to an awful struggle being made by Moffitt to save his life.

The skull was crushed in several places and a bloody chair leg lying beside his body apparently showed the weapon with which the fatal blows were dealt. Moffitt, evidently continued to struggle as streaks of blood were found all around the room.

(Special at 2 o'clock)

Henry Bergman, night officer at Monongahela, last night arrested Mike Dailey as a suspect in the murder case. He went into a little store called the "Bany Shop" operated by Mrs. B. Weinberg and acted suspiciously, offering to sell shoe strings, etc. Becoming alarmed, the woman notified the police and the man was later rounded up at one of the hotels. Sergt. McLaughlin was notified and it is supposed he took Dailey to West Brownsville, where a conference of officers is being held today.

HIGH SCHOOL PLANS SPORTS OF HIGH ORDER

That the various commendable sports are being encouraged at the Monessen High school as an adjunct to the regular school work is very encouraging.

The Athletic association treasury is in excellent condition, the best in fact since the association's formation, and much of the credit is due to the earnest endeavors of the president, Alvin Dawson and Prof. Glenn H. Davison of the scholo faculty.

As a reward for their services sixteen members of the football team of 1914 have been awarded letters. They are: Captain P. Smith, H. Hess, S. Moore, M. Smith, F. Hess, J. Preston, A. Boag, R. Williams, J. McQuaide, H. Frazier, W. McKinley, P. Johnson, G. Dick, J. Farquhar and Captain-elect, H. Newhouse.

At a recent meeting of the asociation an election was held and Harry Newhouse was chosen captain of this year's football team; this will be the fourth season he will have represented the High school on the gridiron.

James McQuaide was chosen the team's manager. In track Samuel Moore was made the leader.

Plans are now under way to have an inter-class cross county run some time in March and an inter-class field meet the first week in April.

The manager of the track team, Paul Smith, is planning to enter into negotiation with Charleroi and Monongahela for dual field meets. Monessen High school will have several classy athletes in these events, viz. Johnson, Rosenthal, Moore. McKinley, P. Smith, McQuaide in the dashes.

Madison, Dawson, Preston, Boag and Hutchinson in the distance events.

In the jumps, H. Hess, Boag, Williams, Rosenthal, Dawson and M. Smith are counted on taking places.

In the weight events are Hess, Preston, Smith and Arnold. Captain Moore is our best bet in the pole vault. He is good for more than nine feet in this event.

Miles Smith will be captain of the baseball team this year. "Smiles" is a classy third baseman and pretty "hefty" with the Louisville sluggers. John Preston will be manager of the team.

A schedule of games which will probably include games with Charleroi, Monongahela, Belle Vernon, Donora and West Newton is being arranged.

High school will have some real baseball players including Smith, McKinley, King, Frazier, Moore, Hess Hopkins and Williams.

Prof. A. J. White is the athletic director and under his coaching, successful teams are expected to be produced in the different branches.

BOWLING

The opening game last night in the Colonial-Keystone bowling tournament, played on the Colonial alleys, was an exhibition of more than ordinary interest as the boys on both teams did exceptionally good work for an opening as the score following will show:

VOLLEY BALL

In the Pittsburgh Steel Volley Ball League, the Braves beat the Pirates Monday by a score of 21 to 9 and jumped into fourth place in the league standing. The Pirates got away to a great start, making seven straight points before losing their serve; thereafter there was nothing to it but the Braves. Perks served an excellent game for the Pirates, missing but one serve during the entire game. The line-ups:

GRANDMOTHER KNEW

There Was Nothing So Good for Congestion and Colds as Mustard

But the old-fashioned mustard-plaster burned and blistered while it acted. You can now get the relief and help that mustard plasters gave, without the plaster and without the blister.

MUSTEROLE does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders, and yet does not blister the tenderest skin.

Just massage MUSTEROLE in with the finger-tips gently. See how quickly it brings relief—how speedily the pain disappears.

And there is nothing like MUSTEROLE for Sort Throat, Bronchitis, Tonsilitis, Croup, Stiff Neck, Asthma, Neuralgia, Headache, Congestion, Pleurisy, Rheumatism, Lumbago, Pains and Aches of Back or Joints, Sprains, Sore Muscles, Bruises, Chilblains, Frosted Feet, Colds of the Chest (it often prevents Pneumonia).

At your druggist's, in 25c and 50c jars, and a special large hospital size for $2.50.

Be sure you get the genuine MUSTEROLE. Refuse imitations—get what you ask for. The Musterole Company, Cleveland, Ohio.
